Profile	Over 15 years of advanced technical skills with certified training, education and recognized leadership.		
Skills	Chicago Stationary Eng. Lic Universal EPA HVAC Refrigeration Blueprints/ Schematics OSHA 10 HAZMAT Data Centers (CRAH/Liebert) Ammonia System Operations FDA/EPA/OSHA/USDA training	DDC/PLC controls operations (Chillers) Centrifugal/Absorption (Boilers) HP/LP Steam Chilled Water systems Calibration./ Pneumatics Blast-Coolers/Freezers Lighting./Life Safety LEED/LEAN training Production support mgt. Electrical distribution	Plumbing/ Hydronic systems PM/CM VFD Water treatment/filtration AHU (VAV, Constant volume Building Automation (BAS) Project Mgmt/CLT PSM CMMS
Experience	<p>Utilities Maintenance Manager, West Liberty Foods; Bolingbrook, IL – 7/2015- Present</p> <p>Managed: Predictive/corrective and preventative maintenance programs, 9-direct report Utilities Techs, HVAC/Refrigeration/Wastewater multi-site mgmt., Project mgmt.(line production,capital) USDA/EPA/FDA code and regulatory enforcing, core management/QA/ leadership training, PM/CM/SOP/SAP/PSM/GMP/HAACP implementations, electrical distribution and plant/production start-up operations.</p> <p>Utilities Maintenance Supervisor, Arytza; Cicero, IL – 10/13 - 6/2015</p> <p>Serviced: Utility dept./ production maintenance start-up, 5-direct reports up to 24 indirect reports, HVAC/PLC/ Ammonia Refrigeration PM/CM/SOP/SAP/PSM/GMP/HAACP implementations, and oversaw capital projects.</p> <p>Chief Engineering Supervisor, Sodexo; Chicago, IL –9/2010 - 9/2013</p> <p>Performed: corrective/preventative maintenance programs for 5 buildings (1.8m sq. ft.), boilers, electrical repair, water treatment, VFD/air handler maintenance, construction/project engineering, CMMS (maximo/metasys), grounds/lightning, HVAC/refrigeration, fire/safety, generator testing, predictive/emergency maintenance planning.</p>		

Journeyman Lead Engineer, RUSH University Medical System; Chicago IL -7/2007 - 9/2010
Supported: plant operations, HVAC, welding, plumbing, medical gas systems, refrigeration, PRV/ high pressure steam stations, chillers/ chilled water systems, offsite data center monitoring/maintenance, and B.A.S.(Siemens/Johnson Controls).

Maintenance Manager, Gate Gourmet; Schiller Park, IL -2/2005 - 7/2007
Managed: start-up for client (American Airlines), team/maintenance dept. (7 direct report technicians), project engineering/construction, conveyors, boiler/chiller/ machinery PM/CM., electrical retro-fitting, HVAC/R (blast chillers /convectors).

Education

PEIT: Arlington Heights IL, Majored: Steam and Plant Operations, Diploma 11/2001
Environmental Technical Institute: Blue Island IL, Studied: HVAC/Refrigeration, 6/1999
Thornton Township: Harvey IL, Studied: Business administration, 6/1992
